“ *This is so sad to me. I just found out! I called her, her phone was disconnected. Lou was someone I felt would live forever. Last time I saw her she insisted we have a beverage, just a taste. I am so glad she did. I love her she has been a friend over 30 years. She was so good to me and my family. She will be missed.*

“ Ms. Lounette Ingram was a very special lady to me. I helped her with her business as much as I could and let her know how she was doing at the Gift Horse. She will be very missed! I will look forward seeing her in Heaven one day! She has a very special place in my heart. I loved her so much and my wife Linda Anders did as well.
