

Margaret Sharp Chambliss

March 3, 1925 - January 29, 2021

Beloved mother sister and friend. Margaret is survived by her daughter Terri Cason and husband Larry, and her son Cliff Chambliss and wife Katherine. She leaves 11 grandchildren. Four of her children passed before her: Norman Savage, Brian Savage, Cecilia Savage and Russell Chambliss. Her husband Clifford Chambliss passed many years ago after 31 years of marriage.

Margaret retired from AT&T after 40 years in Engineering. She lived in the Roebuck area of Birmingham Alabama for many years. In her later life she resided at St Martin's Assisted Living for many years, and then moved to Fairhaven assisted living, also in Birmingham. Although she felt she needed some help in everyday life, Margaret immediately continued to help others. She aided the staff and social director to help others on field trips and other programs for residents. She maintained her independence as long as possible even driving until she reached 89 years of age. She was a member of Huffman Methodist Church the majority of her life. She had 10 siblings that preceded her to glory. Margaret leaves behind many nieces and nephews. She had a full life. She will be greatly missed.
