

## Mrs. Marian Elaine Wolcott

July 14, 1942 - August 18, 2021

Marian Elaine Wolcott, age 79, passed away on August 18<sup>th</sup>, 2021 from complications related to Covid.

She was born on July 14, 1942 in Bartlesville, Oklahoma.

Elaine married her best friend, Charles Blakeley Wolcott in 1972. He survives her now knowing she is

restored and rejoicing with our Lord and Savior, Jesus Christ.

She was a Christian that truly and steadfastly loved the Lord. She certainly believed in the power of

prayer and willingly shared her faith with everyone. Elaine enthusiastically lived a full and diverse life.

Although she was paralyzed as a teenager, she overcame that debilitating illness to go on to nursing

school to become a Registered Nurse. After growing up in Oklahoma, Elaine and her family moved to

Texas for a while then they traveled overseas. She had the opportunity to live in Singapore and the

United Arab Emirates for over 20 years plus the chance to visit so many other places! Elaine held a

special place in her heart for the American Indian population after spending many years working as a

nurse amongst them. She also loved to garden – vegetables, flowers – it didn't matter. She loved to

nurture the plants and watch God at work in the little things.

Elaine is survived by her daughters, Laura Ford and Audrey Ford of Foley, Alabama, stepson Alan Doyle

and his family of Conroe, Texas, her granddaughter Paige Ford Leigh and her family of Elberta, Alabama,

in addition to her many cousins, nieces and nephews. And of course, a slew of beloved canines and felines!

She is preceded in death by her parents, Lloyd Athalone and Ruby Laura Clark of Dewey, Oklahoma, and

both brothers, Billy Pat Clark of Columbia, Maryland, and Freddy Leon Clark of Puyallup, Washington.

Thank you for all the prayers, encouragement and support during this tumultuous season. We will miss

her wit, grit, wisdom, and unwavering love for all of us.

A private friends and family "Celebration of Life" will be held in the future.
