

Mr Mark Ellis Turberville Jr

August 21, 1983 - March 24, 2022

With a broken heart we announce the passing of our son- Mark (Marty) Ellis Turberville Jr. He passed on Thursday March 24,2022 in Gulf shores, Alabama,

He is survived by his Mother Lora (Tillman) Daniels, Stepfather, Danny Daniels, brother Nicholas Daniel Turberville, and Sister-in-law Katelyn (Mullins) Turberville. Niece Avery Kate Turberville, & Bret Turberville. As well as Aunts, Uncles, cousins, and many other family and friends. He was predeceased by his Maternal and Paternal Grandparents. Marty came into this world with a bang in Mobile, Alabama on August 21,1983. He began playing baseball at the age of 4. He lived and breathed it with a passion which was made evident by the commitment he had for the game. He loved anything on wheels-(especially) if it had any speed to it. He was blessed with beautiful eyes and smile. Not to mention he gave great hugs! He loved the ladies and had the gift of gab and always charmed his way into their life. He enjoyed the great outdoors, hunting, fishing-and to my dismay tattoos and more tattoos, not to mention. some fly tennis shoes. He started out as an Alabama fan then later was a diehard Auburn fan. He was a great cook, he loved dogs, kids, and music (as my Daddy would say boy you can't carry a tune in a bucket but it's not because you don't try. From a young age he was hardheaded and bound to do things his own way bad or good. Was he perfect- NO- but to me he was imperfectly perfect. This is not what I ever imagined his story to be 38 years ago. But it is what it is. Just remember no matter what you are going thru and

when you are hit with self-doubt that God don't make no junk.

Always Loved,

Forever Missed

Never Forgotten.

“ I’ve known and loved Marty since he was a little boy. He and Nick grew up with my boys, they are like family. Marty was so full of energy and loved the outdoors. He especially had a love for his Mama who was always just a phone call away and his PawPaw Bobby Tillman. He was kind to children, elders and the ladies loved him. He had that tough, bad boy look that the young ladies seemed to love. He made a profession of faith as a young adult. I will miss seeing Marty and the joy he brought his Mama, even if it was just a phone call he tried to stay in touch with her. He was always close to his Mama. Rest In Peace Marty God is with you ❤️🙏

“ Mark was a Special Guy! He was funny, and could always cut that grin, and those eyes and get what he wanted. Mark had a huge heart, and never met a stranger. I will cherish the good times we had. He always knew regardless of where we were in life, he could call me and I would be there. He surely loved his Mama also. Prayers for his family during this time, as he took a piece of our hearts with him.

“ Marty could stretch as far and as low as any 1st Baseman ever and catch the ball while maintaining contact with his foot and the bag. Dual position type player. He was rock steady behind the plate as a catcher and he was a good out fielder. I have many good fond memories of Marty. Not enough time or space to tell them all. So sad he has left us. May the peace that surpasses all understanding be upon those who loved him the most.
