“ *I've know Marnie since our kids were babies. We got to know each other through the school. She was always kind and always had a smile on her face. I cannot believe she's gone. I will miss seeing her. My heart breaks for her sweet little girl. Out thoughts and prayers are with you all during this very difficult time. Lynette, Wesley and Caleb Keith*

“ Good bye for now sweet lady, Rejoice In Heaven with Jesus for our loss is your gain. I only enjoyed your amazingness for 10 months at Target where I worked with you in pricing. That's all the time I needed to know you were an awesome soul, and you loved your daughter Rebecca. My life is far better for having met and enjoyed your sense of humor... thank you sweetness for making me feel like part of your family, hope to see you when I get where you are....Michele Harvell

“ No matter what was going on in her own life Marnie always had a smile and a kind word to help you with yours. She was one of the purest people I had the honor of knowing. I will miss talking with her and laughing over popcorn and coffee. I believe we met when our daughters were like 5 and I have never seen her happier than she has been in the past few months. My heart breaks for all of her loved ones. I will miss Marnie's smile most of all. It was definitely pure of heart.

“ Marnie was our son David's girlfriend. We were so glad to see that they were happy together. As we got to know Marnie we found her to be a very caring and good person. She was very kind to our granddaughter Jordan. Marnie and David took Jordan to different places and did things that they knew Jordan would like. Jordan was crazy about Marnie, and I think children are very good at judging character. Our family will miss this lovely woman. We extend our sympathy to her family.

“ My name is David Brewer and I dated Marnie for the last 6 months. I can honestly say she was one of the kindest and most loving people I have ever known. If she saw a stranger crying she would go and try to comfort them. The world was a better place with her in it. She will be greatly missed.
