“ *i'm so sorry for the family, but Janie is up there watching over you all now being your guardian angel. Everytime i see a round bail of hay i think of her and how much she liked them, we made alot of great memories while she was in Ohio, alot of things i see driving everyday brings a memory of Janie and puts a smile on my face., weeds she thought were flowers, just little things but it put a smile on her face. i see the plaque she bought for me it hangs in my kitchen and i look at it everyday, the long talks on the phone all of it, she was one helluva lady who will be greatly missed. Prayers for all of you and remember she is with you constantly, love to you all in your time of need.*
