“ Gail i am so sorry for your loss. I can only imagine the pain you are feeling. My prayers are with you and the family during this difficult time. The last time i saw Nelson was at his Mother's funeral. I have had the privilege of knowing the Dabbs family for 50+ years. We were neighbors for many years and have remained friends. We have gone for years without seeing each other but when we did it was as if we were never apart. Nelson will always hold a special place in my heart and life. May you feel God's presence in a mighty way.

“ We were so sorry to hear about the loss of our good neighbor. He was a funny guy, joked around a whole lot and made us laugh. He often helped us engineer various projects. We saw him less and less since his health problems and have missed him. And now it's so hard to believe he is gone. It saddens us so much. It is reassuring that he was a man of faith. We'll never forget Marvin. Our deepest sympathy to Gail and Brian and the rest of the family. BJ and Rebecca
