“ *Tom and family,*

My heart is burdened to hear the loss of Mary!

She meant the world to me; so many good, fun memories and a big part of my life. We all have been blessed to have her in our lives with her journey on earth, as we know it. I continue to say prayers for the family and thank God that he took her soul back home and she is no longer suffering; Finally at peace and comfort in the hands of God.

*Amen,

“ *Tom and family, my prayers are with you during this sad time. There are no words to make it better however I do know that Mary will be with us in our hearts for ever. God bless you and wrap His comforting arms around you.*
