“ Hi Mum,
I hope you're having a wonderful heavenly birthday. Jan and the boys are all doing well. Emerson is two years and two months old now. She's absolutely precious and growing like a weed. We keep her at least three days a week and she loves coming to our house. My Rheumatoid Arthritis is really affecting my golf game. Actually, my golf swing looks more like a croquet swing. This is my third attempt to send this message, and I think it got blocked because some of the negative things I was saying about a certain president. Therefore, I will try again to send it without mentioning him. I will try to download some pictures to post for you. BYE for now, love Jan and Greg.

Hi Mum,

Our lives were so much better about 5.5 years ago. Goodness me how time has flown. Jan an I are going to Jessie's restaurant tomorrow. The same one that we took you to 6 years ago to celebrate our anniversary. This one is our 42nd. John, Sophie, and Emerson now live 2.5 miles from us. we get to see Emerson almost everyday, she a sweetheart. I will try post a couple of pictures, but I sometimes have difficulty doing that. We plan on visiting England in August. We intend to spend much time in the Cotswold's. I now you loved that area.

Bye for now

“ Hi Mum,

Thinking and missing you everyday, but even more on this sad day. It doesn't seem like three years ago since we were chatting.

You will be pleased to hear that our John is getting married on August 12th. Her name is Sophie and she is a lovely Fairhope girl. They're planning a beach Wedding at Orange Beach. We hope that the weather obliges. I will send pictures when we have them.

We went to Normandy in April and it was wonderful, but also very humbling too. We thought and talked of you often on our travels to different landing beaches. It makes us realize what a horrible bastard Hitler really was. God bless you and the brave souls that fought for our freedom.

I'm signing off for now, we will update you after John & Sophies wedding.

“ Hi Mum,

So sorry it's taken so long to update you on our England trip for your Memorial. We spent our first night in London in hope of acclimating from the jet lag, it took longer than one night. We went to Mike & Mandy's for a lovely two night stay after London. Mike took us to the Cotswolds for the day and it was gorgeous, the weather was perfect. We went from Mike's to Coventry for Pete & Suzy's wedding, it was nice. The reception was held at a Gin distillery in Hinckley, say no more! We did your Memorial at Bradgate Park on 17th August. It was a nice turn out, Mike, Mandy, Gina, Rob, Jakki, David, Ben, Mel, Gabby, Geraldine, Steve, Gemma & Daughter, Stu, Linda, Pete & Suzy. Irene & Nigel where out of town on vacation unable to come. it started to drizzle early, but cleared up nicely before we gathered to scatter your ashes exactly where you scattered Brian's ashes. We went to the Griffin Inn at Swithland afterwards for lunch and a few toasts to you. Jan & I scattered more of your ashes in Swithland Woods where we had scattered Lyn's ashes. It was nice to see family & friends again, makes me homesick though. We went to the Lake District, Cumbria, & Scotland for a few days of relaxation. The scenery & the weather were amazing, felt like 1976. Anyway, we are back in Fairhope enjoying retired life and watching the lovely sunsets.

The hairdressers in Humberstone shut down this year, Karen has gone mobile and told us that Old Rad has passed away. After successfully dodging it for 2 years, COVID has finally got us, I am better now, hopefully Stu and everyone else will be soon too. “ Hey Mum,

I'm back from the dentist and all is well, with my teeth anyway. I've got a fractured Fibia in two places on my left leg. Tucker barreled me over from behind while chasing his ball. I have one of those soft casts or big boot is a better description, I go back on April 5th for re-evaluation. I hope and pray everything has healed properly, I know now how frustrating your leg must have been. I'm using the electric scooter that I got for you to get outside and away from cabin fever. Other news! All of the family, nephews, nieces, & Grand children are doing fine. Justin is really getting into flying and working on his commercial license. John and his girlfriend "Sophie" are coming from Birmingham to visit us this weekend. We have only met Sophie once but she seems very nice and down to earth.

The rest of the world has gone crazy. The Russians have invaded Ukraine and are killing thousands of civilians including women & children. It's more President Putin than the Russian people, he has them all frightened stiff if they don't follow orders. It's very much like Hitler & the Germans in world war 11. We are not far from World War 111 if that crazy sod continues his Genocide.

It's nice to see that Stu, Linda, Nigel, & Irene remembered your Special Day.

We are hoping to visit them all in August and have another Memorial for you. Although we cannot make definitive plans until the leg has healed. We will keep you posted.

Happy Christmas to you & everyone with you. Especially to the Kenton's, Bowens, Baxter's, Rice's, Neal's, Hallam's. Our plans to go back to Leicester for Christmas changed because of the Covid virus running rampant again. We now are planning on August 2022 if the restrictions are reasonable! Bailey is John's full blooded black lab and is considerably lighter than our heavy set Tucker. “ Hi Maeve,

Well, my computer skills have not improved. I wrote on your wall yesterday but it did not post. I'm sure this does not surprise you. Let's try again...

Greg and I are postponing our usual anniversary meal to Jesse's tonight. Going to Lillian, AL to hear Mike and Jeff play instead. Can't say that I have ever been to Lillian but I'm sure we will have fun.

The Blue Angels fly tomorrow in Pensacola over the beach. Sam and Katie have asked us to go together to watch. I was hoping John would be in town to go with us as well. Remember how we used to have to take him to the Naval base every week so that he could watch them practice. He knew every detail of every maneuver and enjoyed talking with the pilots.

I think of you often and the talks we had. I learned so much from you. I treasure the time we had to spend together. I know there were many difficult days for you but we also had so many more good days to make memories. You may not be sitting at the table with Greg and I this year at Jesse's but you will be there with us all the same.

“ Hi Maeve, thinking of you today as always. What a year it has been, the daffodils and bluebells were particularly beautiful this year and seemed to last for ages, we always think of you when we see them and you were right about the leaves hanging around for ages and being a pest. This year I slipped on some and nearly fell in the pond. Remember the Silver Birch tree that you used to laugh at because its trunk was so thin and it used to almost bend double in the wind. Well it is now a fully established tree, with a big thick trunk and is over 30 feet tall, who'd have thought eh. There is something to remind us of you in every season, at the moment we are laughing cause, its been raining for a few days, 'bloody weather', remember how we used to laugh at that phrase, its England what do people expect!. “ HI Mum,
Just letting you know Terry Holland sent us pictures of you, me and Brian. I forgot to bring them from home & I will be out of the office for a while, but I will post them when I return. I'm having surgery on my knee tomorrow and not sure how long the recovery time is. I was watching the Ospreys maintain their nest on the causeway this morning where we watched them last year. Brought back fond memories. You have a birthday next Tuesday:)

“ That's the picture I was talking about, thanks Lindsey. I think the picture was taken at Highleys Drive in Oadby about 1966 or 1967. We were probably heading to the aero club.:)

“ Hi Mum,
I got an e-mail from Colin Heathcoat saying he missed you and his usual birthday card. He sent a nice Christmas picture of Me, You, Lyn & Dad, but I cant upload it. I will send it to Lindsey to see if she can do it. We have a new president, I know that wont hurt your feelings. Oh BTW: Maggie caught the bloody Covid virus and John is looking after her in Birmingham. She was struggling, but John says she's doing better today.

“ Lyn's Birthday today, we miss you both. It's complete Anarchy in the USA. They are going crazy protesting the election results, but it's really just an excuse to riot and vandalize whatever they can. You were right about Trump he's a complete out of control mad man and refuses to accept defeat.

“ Hi Mum,
Just want to make sure your tribute wall stays active. We got another Hurricane (Zeta) heading our way and the workers are still clearing up debris from Hurricane Sally. 2020 has not been the best year any of us. Hopefully, this storm will be the last one of the season. Got a text from Colin in England asking how we are doing since your not here helping us:) Everyone remembers and toasts you when we have a bevy.

We just had Hurricane Sally stroll through our neighborhood Sept 16th the same day as Hurricane Ivan. We remember you calling us through Ivan to make sure we were all okay, well just letting you know we are okay through Sally too. Couple of trees uprooted, but no major damage to the house. Every time I go by the Pub everyone wants to toast you, cheers to Maeve

“ The one and only Grandmother Maeve 💕💕 The smallest person in the family but the greatest influence on us all! You will be so missed by us all, but I'm so grateful that you were able to spend your last year and half or so here in the states with us. Hopefully you are looking down on us with Mummy and Papa Brian now 💕💕 Thank you to Uncle Greg, Auntie Jan and Justin for making sure she was well taken care of and able to enjoy her time. Love to you all, and I'm hoping to be able to visit soon.

“ My Aunt Maemis
So very special to so many people. You have loved with your heart and soul and in return you have received love.
I don't think any of us can ask for more than that from life.
I will miss you Maemis - love you xx

“ Good old Auntie Maeve, she was such a family treasure and of course there are just so many memories. Always ready for a 'little whiskey' but from my distant memories I will always recall her gravy. My dad liked his gravy light and very runny but Maeve produced a really delicious lovely thick brown gravy that I loved.

“ *If you go down in the woods today you're in for a big surprise
if you go in the woods today You'd better go in disguise!*

*For every Bear that ever there was will gather there for certain,
because today's the day the Teddy Bears have their picnic*

Picnic Time for Teddy Bears:

*The little Teddy Bears are having a lovely time today watch them,
catch them unawares
and see them picnic on their Holiday*

*See them gaily gad about they love to play and shout they never
have any cares at six o'clock their Mummies & Daddies will take
them home to bed, because they're tired little
Teddy Bears.*

*Every Teddy Bear who's been good is sure of a treat today, there's
lots marvelous things to eat and wonderful games to play.*

*Beneath the trees where nobody sees they'll hide and seek as long
as they please
Cause that's the way the Teddy Bears have their picnic*

“ Mum,

We had a lovely Memorial service on Saturday August 1st in your honor at St. Francis Anglican Church in Fairhope/Pointe Clear. They played your Songs, Moonlight Serenade, Jerusalem, SOFTLY AS I LEAVE, Morning Has Broken and Chariots of Fire. All of your Grandchildren and their family's were there, along with many of your friends and neighbors:: Mike &, Abbey, Benson & Cindi, Maggie, Kevan, Evie, Harry & Jean, Kristyn, Terrie, Jeff, Carl, Charley, Chaz, Will & Jodi, It was nice to see how much you are loved.

We scattered some of your ashes where you requested to be with Papa Brian. Then we went to Mike and Abbey's for food and refreshments. Mike & Abbey did a fantastic job with pork loins, coleslaw and deserts and opened their home to everyone. We plan on visiting your nieces & nephews, friends and family in England and having another Memorial and to scatter some more ashes with Lyn & Brian in Bradgate and Swithland. We will have to wait until they reduce travel restrictions before we can go, But I promise we will do it.

WE LOVE AND MISS YOU SO VERY MUCH

“ *Maeve, what a lovely Lady you were. You always made us so welcome. We miss you Maeve.*

Nige & I got to know Maeve about 40 years ago, Nigel & Brian both worked for Royal Mail, Leicester, and we would meet for the odd drink (in the Royal Mail Pub!) when their shifts had finished. Then it would be 'The Moat' which eventually was re-named 'The Monks Rest'....for some reason.....

In more recent times we use to see Maeve on a Thursday afternoon (when we were not away) and she and Nige would reminisce about the old times. Her memory was amazing!. Between the 3 of us we would eventually get a persons name we were discussing.

Maeve never missed asking if we had been to see 'Jack', (our youngest grandson) and we would tell her his latest antics which always made her laugh..he was only 4.

We feel very lucky and privileged to have known you.

Sometimes, just before bedtime, we have a 'tot' of Jack Daniels, and say 'good night Maeve" thinking of our many happy memories of you.

'Good Night Maeve'

“ Maeve was our dearest friend and neighbour in the UK, and we had some great times with her and Brian during that time. Our friendship continued, when we moved house, for 35 years. We are so privileged that Maeve was part of our lives. She was a very special lady who was loved by everyone and she will always have a special place in our hearts. We love and miss you Maeve and will still make your mince pies at Christmas, we'll eat them on your behalf, if that's alright with you, you were a very generous lady but didn't like sharing your mince pies, not even with Justin, your beloved grandson. With deepest sympathy to Greg, Janet and all the family. With love and best wishes Stu, Linda and family xx
