“ *There is love that will live forever, and there are memories that will shine through the sorrow. I will always remember our wonderful fun cruise we shared together with all our cousins on the Davis side of the family. All because of your planning. You lit up a room when you walked in my beautiful cousin. You're going to be missed by so many.*

My deepest sorrow and sympathy. Your Cousin, Patsy Moss

“ We are very sadden to here of Monica's passing. She was a kind and caring individual. She is no longer in pain and is now your guardian angel.

We send our deepest sympathy to her families.
We offer you up in comforting prayer.

Words seem inadequate to express the sorrow felt by the loss of "Monica". Our hearts are with you and yours.

"May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the thought
Of the joy that knowing your loved one brought...
For time and space can never divide
Or keep your loved one from your side.
When memory paints in colors true,
the happy hours that belonged to you."
