“ *Having gone to school from first grade to graduation with Nicky, we Elberta "kids" stuck together all through the years... it was like family, even after the school years, whenever we seen each other, it would be like catching up with a brother.. will always remember his deep staccato voice.. and deeper laugh with the shrug of his shoulders. Always had a smile. Will miss him. To you and your family, Kathy, may your memories be your roses in December. Eddie and Jeanette (Frank) Bornholt*
