OK

A great friend all my life. We had great memories through out the seventy plus years. Vacations, family trips, and many mission trips some to foreign countries. MANY MANY SPECIAL MEMORIES TOGETHER!!

“ So many great memories of Ed Hand. I'll always remember his input into our Kairos Sunday School Class discussions. Appreciated his desire to help us dig deeper, consider different points of view. Can hear him now, “well, what if we looked at it this way?” “Let's just think about this for a minute.” “Let's talk about that some more.” “What about if we looked at it this way?” He loved a great intellectual discussion and challenged us all to reach new insights and better understandings. What a great pleasure to have known him and such sorrow to loose him so soon. Walt & Terri Rosene
