

## Mr Nolan Schlichting

October 6, 1925 - April 25, 2021

Nolan leaves behind a lifetime of memories. He enjoyed his family and always said, “family comes first.” He said the best gifts were always that the family always got together for various occasions, especially for holidays. He enjoyed fishing, hunting, his gardens and flowers, and simply sitting on the carport relaxing. He had many favorite sayings. Some that come to mind, if you asked him how are you feeling....he’d say, “with my fingers.” If you asked what’s up, he’d say “taxes and rent.” If you asked how are you doing today....he’d say, “one day at a time, or I got up again.” Some of his sayings are rooted in the Bible, and he lived by them. When family called or visited, his simple sayings reminded everyone of how simple it should be to prioritize our lives. He made life seem simple.
