“ *Glenda ,Walter Freddy and Terry So very sorry for your loss. Your Mom is one of my favorite childhood memories. She and your Dad were the best! When I recall growing up in Fairhope your parents are always in those most treasured memories. I loss track of them after they stopped working at the State Park. The last time I had the pleasure of seeing her, she reminded me of how we (Glenda and myself) drove her to the edge of insanity. I had to ask if we were really that bad. Yes she answered and then some.Thinking of her always makes me smile. I did love her so much.I will be thinking and Praying for all of you in your time of loss.*
