“ *Jane was one of the most loving & compassionate friends I've ever had. She went through so much in her life & yet I never heard her complain. She took such wonderful care of her family members & never put herself first. We weren't able to see each other as much as we'd like, but I always knew I could count on her. We always had a good time when we were together & laughed a lot. She will truly be missed, we loved her so much.*
