“ *My Aunt Gayle meant so much to my family. There are no words that can describe what a hole her passing will leave in my heart. Growing up I had the pleasure of living almost next door to her and my Uncle Pete. I used sneak down to see her all the time for some cookies or anything sweet she may have as a treat. Her door was always open to me and she would immediately greet me at the door with a hug and kiss and ask me to come on in and sit down with her for a visit. I drive by her house every day to get to my mom and dads and now when I pass and look over, it just won't seem the same. My only peace now is in knowing that she is in heaven with my Uncle Pete and no longer in any pain.*

“ *I will miss ,Miss Gayle very much. I have known her all my life. My dad worked for Mr Pete at the station for years. I started cleaning for Gayle when I was in high school. She was like a momma to me . She is in heaven now with her beloved Mr Pete. My thoughts and prayers are with Beverly and Donna and all her grand children. RIP SWEET LADY. ❤️ I will miss you dearly.*

“ I will miss my Aunt Gayle so very much. My heart is heavy, though I know she is not in pain and is with her love, Uncle Pete, once again. My aunt and I shared a birthday so she will never be out of my memory. When my grandmother passed away, Aunt Gayle seemed to become the matriarch of the family, even though she wasn't the oldest. I knew I could call her anytime of day or night and she was there for me to lend an ear or helping hand. My love and prayers go out to her children and grandchildren.
