“ *Rebecca will ALWAYS be in my memories and in my families!! Rebecca you were the sweetest, most kindest person I have ever known. I will forever keep my little green escape that you sold me several years ago. I most recently stated teaching my son how to drive it (it's a standard). Little Abbie misses you a bunch and so does Trent and Lorry and me too. Fly high my Sunnybrook!! I love you.*

I knew a Rebbeca Schoel who lived in Lombard Il back in the late 70s. I was online looking her up, and I saw this. Could this possibly be the same lady? I knew she was from Alabama. Can somebody let me know? She is very warmly remembered.

Certainly somebody must have better pictures of dear Rebecca than her lying sick in bed? Is this how she deserves to be remembered?
