“ My condolences to Mrs. Calvert’s family. We never met but I’ve known of her my entire life. She and my mother were grade school classmates. It was at their 8th grade graduation that my mother learned the girl she knew as Kay was really Regina Kay. That name stayed with my mother until I came along when she gave me the name Regina Kay. I’ve heard the story my entire life so that when I saw the name Regina Kay leading into her obituary in the Breeze Courier I immediately had to look at her age, her birthplace to piece together if this was the same Regina Kay I always knew about but never met. I’m sorry we never met but I’m glad she lived a full, happy life.
