“ I met Rhonda at the Curves exercise facility several years ago. Eventually, several of us members decided to start going out to lunch on Wednesday afternoons. We call ourselves *The Lunch Bunch*. To this day several of us meet for lunch on Wednesdays. After Hurricane Sally, I would pick up Rhonda and we would carpool to the restaurants together. Sometimes we would stop for a glass of wine after lunch. We always enjoyed our conversations. We will miss her a lot. But we will remember her sense of humor and love of fun. Sincerely, Linda Schisler

Rhonda and I shared workouts at Curves many years ago and also lunches with our other friends on Wednesdays "The Lunch Bunch". On other occasions, Rhonda would pick me up and we would go to Daphne for special outings. She was always so happy and full of fun. We enjoyed our visits together so much over the years. I have missed her so much the past several months and will miss her so much in the future. A very precious lady and friend. Sincerely, Sherry Mize

PS

Rhonda was my sister in law. She was a kind and giving person. We talked often on occasion. I last saw her at the Thanksgiving reunion and remember well how pretty and vibrant she was. I will not be able to attend the memorial because of my recent surgery but I will always remember and miss her....With Heartfelt Sympathy, Polly Scott
