Bob was a mentor to me as a new Rotarian in DeKalb County in the early 2000's. He tried to teach me how to golf, but I never played very well. But I helped him with several golf tournaments that he initiated to raise funds for the Rotary Council. He was a great man who always answered the phone when he was called, "How can I help you." He truly meant that.

Bob Grant, there are few words that describe what a wonderful man and friend he truly was. I was fortunate enough to have met Bob and his adorable wife Amanda at the Rotary 6900 district conference many many years ago and we became very good friends. He was one of a kind and my life was touched that I was able to call him my friend. The world will have an empty space without him in it but there is a higher power that must have needed a good man and called home one of the best. He has touched a lot of lives and everyone he has leaves with a smile of his memory and the love in their heart for him. Peace be with Amanda as she has the best guardian angel anyone could ask for.

What a fine servant for Christ and a mentor for hundreds of scouts, scout leaders, and fellow men and women. With Amanda at his side, encouraging him and assisting him, Bob made a difference in the church, community, and the world. Welcome to heaven, Bob.
