“ *My heart aches for his family. I know he will be missed. He was like a father to me so many years ago! I will forever hold dear my memories of him and all the summers I spent with Kim growing up. He influenced me in so many ways that I never realized until I had grown up. He is an anchor to his family, a lighthouse to those who have witnessed his unconditional love.*

*So many good memories of my childhood are from the visits back to the family home in Mize by Aunt Alpha Lee and my Jones cousins from Mobile. Now, it is Roland's time to go to our ultimate home in Heaven with Jesus. He will be greatly missed by his family here, but we will get to visit again at a family reunion that lasts forever. Hallelujah!*
