“ *From the moment you came to Heartland Church and said you had been told they could find nothing wrong with Ron.....and St Thomas did.....we felt a kindred ship with you because of our using St Thomas and highly recommended them we had a connection. So proud to call you friends in Christ. Glad you pursued that there was something wrong with Ron. You did relent to starting a relationship with Ron and I KNOW YOU ARE VERY GRATEFUL. THINKING SO MUCH IF BOTH OF YOU.....we too will always remember how strong he (both you were fighting to defy the odds of beating his cancer). Please keep in touch Betty.*
