Tribute Wall

“ I know it has been a few years but when we lived in Foley before we moved to Prattville, Al my husband and I always liked to play dominoes with her. We loved Rose. We did not know she passed until we went to see her when we got to the area and they were painting her home. We knew then. She was the domino Queen. I loved to tease her about cheating and we were all laugh. Judy & Ray LeGlise
