“ My pawpaw. My sweet sweet pawpaw. It's going to really be hard come March when I can't call my pawpaw and wish him another Happy Birthday. My heart breaks, but at the same time I know my pawpaw is at peace. He took care of everything here and then went home to be with our GOD. He is with my mawmaw finally. He loved her more than anything on earth. I know you will be watching over us all pawpaw. I didn't get the chance to tell you, but I hope you know that I love you more than anything on earth. You were the only man in my life that never lied to me. I am so thankful for you. I can remember you always used to come over to the White Street house and let me play like I was cutting your hair. You always got a new hair cut every time you came over. And I used to whisper to you in your ear and even though it was your bad ear you always let me believe that you heard me and you agreed with everything. Mom do you remember when we were fishing on the White Street pier and I caught an eel and my pawpaw came all the way down and took it off the hook for us. My pawpaw loved to fish. He would always take me out on the boat and let me lead. In my pawpaw's eyes I was perfect. I was always so happy to go and spend the night with my pawpaw and Aunt Barbara. It was the best time ever for a little southern girl. I wish I could go back just one time and hug you and never let you go. I love you my pawpaw with all my being and I will one day be with you. I thank GOD that you can finally rest. I love you and I am the lucky one to be your grand-daughter.

All my love  
Salina

*Condolences to the family of Rufus from New Mexico Holloman AFB, we will remember him fondly. Dave and Irma Roth will miss his annual Christmas card, we knew something was wrong when we didn't get one. He was the best ping pong player at Holloman AFB. He leaves behind his friends, Don Berry, Dennis FRY, Shawn Quarles, Robert Warnes and Dave Roth, his Air Force buddies. Until we meet again.*
