“ I was fortunate enough to share about 11 years with Stanley as his neighbor. He took pride in knowing everything that happened in the neighborhood. He as a very good friend to me and I tried to spend the last five years being that same very good friend to him. He always shared a wealth of knowledge with me about his wisdom in life. He was truly a great friend and neighbor. I have become a better person just by knowing Stanley. You will be greatly missed my friend!

“*Condolences to the families.  
"May tender memories soften your grief,  
May fond recollection bring you relief,  
And may you find comfort and peace in the  
thought  
Of the joy that knowing your loved one brought...  
For time and space can never divide  
Or keep your loved one from your side.  
When memory paints in colors true,  
the happy hours that belonged to you."

“ i am the oldest grandchild in the deese family of enos and willy deese of bowdon ga. i ve known stanley and kenneth and their family now a long time. we grew up a lot like little opie s. playing in the creeks and swimming in the river. fishing or whatever we could find to do outdoors. we shared many laughs and spankings for our mischief but i wouldn t change a thing , except of course the end date. we shared day s of old crank ice cream under the shade trees, christmases, pranks galore. i loved stanley like an extended brother, and i think he loved me and all the rest too. i will miss him but i anticipate seeing him in heaven someday. my deepest condolences go now out to all who knew and loved him and if anyone have aught for anyone, now is a good time to let it go. i love y all and GOD bless us all to be reunited someday. “ I met Stanley when I was in 8th grade at the Elbow Room in Fairhope. Dating some in High School and again after I finished college. He and his parents were always so good to me. He was my first true love. He loved me that I know without a doubt. I am so sorry to hear about his passing. Prayers for everyone one.

Stanley, all I could think about today was our hunting trips in 1972! What fun you and I had! Aubrey was ready to kill us every time cuz he said we were sooo loud! One day he brought a Bobcat out and laid it in front of us and I had a fit but the Baldwin County in you took it in stride! We always had soooo many laughs, Stanley! Wish we had stayed close through the years! We will always LOVE you Buddy!!!❤️❤️❤️
