“ Beautiful Belenda - Stew will always be with you in heart, as you were the beat of his. Heaven is richer, but I know a big light to many has left this world to be in the presence of our Lord and Savior. My sympathies go out to you, Eric, Laura, Brandon and their loved ones. Giant love - Connie Hays Jackson, Stew's niece since the discovery of cave paintings. I loved my Uncle Stew. very much.

“ Stewart was a "dependable" member of our choir at First Bap Gulf Shores.! He had a true heart of gold, a heart for The Lord, and was so friendly and reached out to everyone.! He was funny, and make you feel happy to be around him!

I am so sorry I am unable to attend the Celebration of Life for Stewart, as I work on Mondays/Tuesdays.

Belenda, my prayers are with you, Andy, Peggy, and every family member - and your host of friends who love all of you .!!

“ *Belinda, Laura Ruth, Eric and Westley*
I am sorry for the loss of your beloved husband and dad. Our family connections to Stewart goes back to the early 60's. Stew and my husband Harold worked together at DuPont. We spent many Friday nights together. We were there when Eric and Laura Ruth were brought home. I loved to hear Stew play the piano and sing he got Mrs. Pearls talent. All of you are in my prayers. Stew touched lots of lives.

Stew and I were classmates at Litton High School, graduating in 1955 and we both began our careers at DuPont in 1963... he stayed, but I left in 1967 to become Professor later at Vanderbilt.

We lived close to each other and rode the same school bus to Litton beginning in 1951 and later rode together to work when we were working at DuPont... May great memories of our shared early life.
