“ *If i have the right page--my first cousin on moms side. I only saw yiu a few times in life. Down where my parents grew up. And down at the coast you drive us around in grandpa jakes old truck car-el camino? Or jake drove? On his farm. We sat in back. :). 70s. I saw you at pink pony out in back porch. 1984-5You and ann were working. :). I saw you at your brother jims funeral-2000. Your mom was there, lyong down inside. :). She moved on the next year. :( I cant believe you are gone. :( I loved your long blonde beach coast hair :). Your dad died around 1982-3 when i was 14-15. :( Moms brother. She was sooo upset! :( You were still quite young :( :). Rip! See you in heaven one day!! :)*
