“ *I met Ginger only recently, in the last 18 months or so. She inspired me in so many ways. Her love of music launched my daughter and me into music ministry; her enthusiasm and encouragement propelled it forward. My mind's eye will always see her dancing in the audience, grinning and giving us her thumbs up! She is in our songs and in our hearts, a sparkle in our souls we will carry for life. I am grateful to have been blessed with the opportunity to not only know her but also call her a true and loyal friend. I will miss you, Ginger.*

*Until we dance,

“ We met Ginger for the first time in 1999 when she worked in the office at Superior Collision. Ginger helped us several times with Tim's truck. She was so sweet and very kind to us. We will miss her.

*Don't grieve for me, for I'm free,
I'm following paths God made for me.
I took his hand, I heard him call,
then turned, and bid farewell to all.
I found my peace.*

Blessings to the family and may GOD hold you in the palm of his hand and ease your pain of loss.
