“ *With a very heavy heart, I said good bye to my sister, my friend. So many good times we shared over the years. We shared sad times, too, but we always picked each other up. When us sisters, Viv, Jan, Marcie and me joined each other in a text group, it was hilarious. I just hope none of our conversations ever get leaked. They would not be FAKE news, and would definitely make the HEADLINES!!!*

To Lana, Tommy, Lee and family, I love y'all. Praying for your comfort and peace during the lonely days that follow. I love your mama. May God bless all of you. ❤️

“ Vivian had a beautiful face and a beautiful soul. I spent many happy hours talking and laughing about our ancestors and I'm happy to know she is now learning from them the answers to all those family questions we puzzled over for years. I love and miss her.
