I always knew he was there if needed. You were loved and will be missed. This world was a better place because of you. Sending our love and condolences.*

“ William was our dearest friend, we have spent many happy times together and have traveled to many beautiful places together, including Hawaii and Mexico and even to Hong Kong and all those memories will be with us forever.

William was a hard working man that loved his family and friends and if he could help you in any way, he was there, he had a big heart and was a kind man that we are truly going to miss. William and his wife Esther have been our Best Friends for over 40 years and we Thank God for putting them in our path. We are sorry you were taken from us so soon, but we know God had a better plan for you and you are pain free now and are soaring with the angels. Rest In Peace William and know that we are all looking forward to that glorious day when we see you again and we already know you will have that gate open for us.

We Love You Very Much, Glenn & Marianne Stewart

Words cannot express how my heart aches for you my soul mate of within days of being 45 years that we spent together. God sent you to me when I was feeling deep in despair with three small children to raise. He put you in our lives to brighten our path and make life worth living again. You were an excellent husband, father, friend, brother and Uncle and friend and you are missed by all. We all have wonderful memories and will see you again someday in heaven. I miss you so bad but know you are with with your Mom and Arthur and have a healthy body and can enjoy fishing again with them. Rest in peace, my love. Your wife, Esther
